

Paula Marie Coomer is a widely-published poet, novelist, short-story writer, and sometimes food writer. She is the author of seven books, including the newly-released novel *Jagged Edge of the Sky*, *Blue Moon Vegetarian*, *Dove Creek*, and *Nurses Who Love English*. Ms. Coomer lives near the mouth of Hell's Canyon in southeast Washington State, where she teaches writing, organizes retreats and workshops, and has completed work on a third novel.
